Let us also recall famous words of Mahatma
Gandhiji on the importance of customers.

#Worldconsumerrightsday
#GandhionCustomer #Mahatma

A customer is the most important visitor on
our premises. He is not dependent on us. We
are dependent on him. He is not an
interruption in our work. He is the purpose
of it. He is not an outsider in our business.
He is part of it. We are not doing him a favor
by serving him. He is doing us a favor by
giving us an opportunity to do so.

— Mahatma Gandhi —
